RALLY NEWS UPDATE - August 2016

EXPRESSIONS OF INTEREST ROLLING IN!

The momentum has already begun to build for the 2017 Rally and so far we have 91 entrants registered in 48 vehicles. The Rally Committee has made several visits to Clare and the surrounding townships, and planning is well underway for the event. We have made contact with all of the principal venues for our activities and we are at the closing stages of choosing a principal sponsor.

ACCOMMODATION

Our accommodation venues are starting to receive bookings, with the three principal motels and the caravan park reporting bookings. Contrary to some rumours we have heard, the Caravan Park still has cabins available, but we recommend that you make your booking (mention the Veteran Rally) as soon as possible to avoid disappointment.

PROPOSED PROGRAM OUTLINE

Some wonderful attractions are to be included in the 2017 Rally and we will be welcomed by some of South Australia's premium attractions. We are making arrangements for visits to the following;

Bungaree Station is located just north of Clare and was established in 1841. It became an extensive sheep station with 100,000 merino sheep by the 1880s. A substantial and historic property, which over 170 years later is an efficient mixed farm run by the descendants of the original founder. Consequently Bungaree Station is not a museum, but rather a living record of rural Australia since 1841. Tours, including lunch and possibly shearing, will be the highlight of **Monday's outing**.

ANY QUESTIONS? Send any enquiries to the web site or call the phone contact as attached.

The **Farm Shed Museum** at Kadina will see us on a longer run on the **Tuesday**, but to see this huge display of dry-land farming and country life history it is well worth the trip. Every review on TripAdvisor rates it as 'excellent' and that is no mean feat for any attraction, let alone a Museum!

The fabulous Mortlock family home of **Martindale Hall** at Mintaro is scheduled for our visit and lunch (subject to tenure issues) on the **Wednesday** following a morning tea with the students of the Balaklava High School and their guests from the adjacent primary and private schools.

Peter, Phil and Tim checking the driveway at Martindale Hall for potential photo opportunities.

Thursday will see us on another good run, this time to **Anlaby Homestead and Gardens**. This outstanding property was the home of the Dutton family and the centre of a huge sheep station. Henry Dutton Jnr (with Murray Aunger) was the first man to drive from Adelaide to Darwin in 1908. The new owners are restoring the homestead and its gardens to its original magnificence and you will be astounded by the progress to date.

Moving on from stately homes, our last day on **Friday** will see us visit the nearby town of **Burra** and the humble miner's cottages, once the centre of one of the richest copper mining areas in the world. Today the town continues as a centre for its surrounding farming communities and, being one of the best-preserved towns of the Victorian era in Australia, as a historic tourist centre.

From the Welcome Reception to the Farewell Dinner we can promise you a wonderful week of entertainment, attractions, great drives and wonderful company. Don't delay but book now and reserve your place for this outstanding event.

A copy of the registration for expressions of interest is attached so if you haven't done so send it in now, or pass it on to your friends for a motoring experience bar none!

If you know anyone who has a spare veteran vehicle to lend, or would like to borrow one to attend the Rally let us know their details and we will put them in touch!

Please note that all Rally entrants must be associated with a specific veteran vehicle.
