

Veteran Dating & Vehicle Record Form

Veteran Car Club of South Australia (Inc.)

P.O. Box 193, Unley B.C. SA 5061 <http://vccsa.org.au>

OWNER OR TRUSTEE

- (1) Name:
- (2) Owner / Trustee
- (3) Address
- Suburb Post Code State
- (4) Phone Private Business Fax.....
- Mobile..... Email.....

GENERAL PARTICULARS OF VEHICLE

- (5) Make: (6) Registered No
- (7) Claimed year of manufacture..... (8) Maker's H.P.
- (9) Care or Serial Number:.....
- Where Inscribed.....
- (10) Type of Model Number
- Where inscribed
- (11) Country of Origin.....
- (12) Please include with this form, 'photographs' of vehicle, also engine near-side and off-side

PARTICULARS OF CHASSIS

- (13) Chassis No..... Where inscribed
- (14) Is frame Tubular Channel-steel Wood Wood & flitch plate
- (15) Track Front ft ins Rear ft ins
- (16) Wheelbase ft ins
- (17) Front Axle T.Beam Square Tubular Wood Other.....

SUSPENSION

- (18) Are springs ¾ ½ ¼ full elliptic cantilever coil transverse platform combination
- Front..... Rear

FINAL DRIVE

- (19) System used: Shaft Central Chain 2 Side Chains Belt Combination
- (20) If Shaft: is it open or closed Torque Tube
- (21) If Shaft: is it bevel or worm drive or other
- (22) Type of Universal Joints and where located: Sliding-block Spicer Fabric Other
.....
- (23) Type of Rear Axle: describe.....
- (24) Are Torque-arms or Rods fitted

STEERING

- (25) Wheel or Tiller
- (26) Position of Column: Off-side Near-side Central
- (27) Vertical or inclined.....
- (28) Are there controls on the column or wheel: describe
- (29) Is track rod in front or behind front axle
- (30) Type of Steering Box
- (31) Number of spokes in steering wheel.....

BRAKES

- (32) State type and location: e.g. drums, expanding or contracting, spoon etc on wheels, transmission, differential
 Foot Brake Whether lined:.....
 Hand Brake Whether lined.....
- (33) Does hand brake pull or push on.....
- (34) If cable, rod, hydraulic or combination operated: Hand..... Foot.....

WHEELS AND TYRES

- (35) Wood, wire, disc or steel artillery type
- (36) Whether detachable
- (37) If detachable, what type
- (38) Are rims detachable
- (39) Number of spokes (wood and steel artillery type only)
 Front..... Rear
- (40) Tyre size Front..... Rear.....
- (41) Solid or pneumatic

(40) If solid, state diameter of wheel Front..... Rear

COACHWORK

(43) Type of Body.....

(44) Coach Builder.....

(45) Number and disposition of seats.....

(46) Colour Body Mudguards.....

 Chassis Wheels.....

 Upholstery..... Hood

(47) Upholstery Material

(48) Are mudguards: Metal Wood Leather Covered metal frame

(49) Supply a full list of all extra fittings, e.g. hood, windscreen, spare wheel or Stepney rim, spare tyre, horn, instruments, switches etc.

.....

.....

.....

LIGHTING SYSTEM

Acetylene, Electric, Paraffin, Candle

(50) Headlights Type Make Type No.....

(51) Side Lights Type Make Type No.....

(52) Tail Lights Type Make Type No.....

(53) Other Lights Type Make Type No.....

(54) Generator Type Make Type No.....

GENERAL PARTICULARS

Please supply verbatim details of all inscriptions on makers plates, covers, hub caps, badges, etc attached to vehicle or in existence, also particulars of any known modifications and any evidence in your possession in support of the claimed year of manufacture.

INTERNAL COMBUSTION

PARTICULARS OF ENGINE

- (55) Engine Number Where Inscribed.....
- (56) Number of cylinders (57) Cylinder bore
- (58) Piston Stroke..... (59) Cubic capacity
- (60) If a multi-cylinder, state if monoblock, cast in pairs, cast in threes, cast singly
- (61) Is cylinder head detachable
- (62) Position of Engine in Chassis
- (63) Whether vertical or Horizontal
- (64) Direction of Rotation, clockwise or anti-clockwise (viewed from the handle)
- (65) State whether crankshaft runs fore and aft or across chassis
- (66) Number of crankshaft bearings.....
- (67) Method of starting
- (68) If electric, whether ring-gear or chain
- If electric state Make Type No..... Serial No

COOLING

- (69) Air or Water Cooled
- (70) If water, is a pump fitted.....
- (71) How is it driven.....
- (72) Is there a fan or fan-blades in flywheel or both.....
- (73) Position of radiator and/or water tank
- (74) Type of radiator, honeycomb or Gill Tube etc.....
- Is the shell brass, steel or cast

VALVES

- (75) Are inlet valves, automatic or mechanically operated
- (76) If mechanical are there 1 or 2 camshafts.....
- (77) Location of camshaft, near side, off side or O/head
- (78) If automatic, O/head or side.....
- (79) Camshaft Drive, gear, chain or shaft
- (80) Is an engine governor installed or evidence of one having been fitted
- (81) Is valve mechanism open or closed.....

CARBURETION

- (82) Type and make of Carburettor
- (83) Updraft, side-draft or down-draft.....
- (84) Is fuel supply by pressure, gravity or vacuum.....
- Tank
- (85) If pressure, is it air or exhaust.....
- (86) Location of Air Pump.....
- (87) Location of Fuel Tank

IGNITION

- (88) Type of Ignition: Tube Trembler-coil H.T. Coil H.T. Magneto L.T. Magneto
- Combination.....
- Serial No. Coil Serial No Magneto.....

LUBRICATION

- (89) Type of lubrication to engine: Splash Hand-pump Drip feed Mechanical pump
- (90) If mechanical, is it gear or plunger pump.....
- (91) Is pump internally or externally mounted

PARTICULARS OF TRANSMISSION

CLUTCH

- (92) Type Cone Single Multi-plate Other.....
- (93) If cone: is it inverted?
- (94) Is clutch wet or dry

GEARBOX

- (95) Type Sliding Constant Mesh Chain Epicyclic Electric Expanding Clutch
 Friction Disc Belt and pulleys
.....
- (96) Position of gear lever
- (97) Gear change mechanism Gate Quadrant Lever Ball Pedal
If ball or gate sketch gear positions below.
- (98) No of forward speeds..... (99) Is there a reverse.....
- (100) If reverse, how controlled Separate pedal Lever Pulley.....
- (101) Where is the gearbox mounted

HISTORY

Please supply as accurately as possible a brief history of the vehicle. Previous owner, original owner, where fund, early registration number etc.
